

CANNES-Californie - luxury prestigious new residence-few apartments-large volumes - Ref: DC4

New luxurious residence situated in a location suffused with a prestigious history, built upon the grounds of the vast estate surrounding a château built in 1870

Your new living space - the tranquil luxury of perfection

Respect for the past and contemporary well-being In the heart of a sumptuous garden endowed with a great diversity of local varieties, a luxury apartment block now lies. It was conceived with the deepest respect for the site's history, as well as with elegance and attention to detail. The epitome of respect for the past but also for current environmental standards and residents' well-being.

A privileged residence - a shared pool perfectly completes the elegance of the setting thanks to its careful landscaping and its sauna and gym in the pool house. Perfectly shielded from view and intrusions, this genuine haven of peace offers residents a special collection of just a few apartments.

In each of the apartments, the focus is on vast surface areas (160 m² on average) and spaciousness. The living areas are enormous, opening generously outwards, with luxurious master suites, beautiful terraces, top-quality decor and fittings (sandstone stoneware, fitted walk-in wardrobes, stylised bathrooms, home automation): all in all, a perfect ensemble. Each occupant has the choice between an elegant Art Deco or contemporary style.

All the apartments include a vast, southward-facing terrace which overlooks the hundred-year-old park. The most glamorous have landscaped terrace roofs enhanced with private pools

Large sea view from the top floors
